Parents/caregivers wishing to sign up to attend programs must submit a registration form for inclusion in the Burlington OEYC lottery for each session they wish to attend. Program participants will be randomly selected from registration forms submitted during the Registration Period. Each parent/caregiver may submit one form per session only.

For high demand programs, participation may be limited to 2 sessions in a row. Families who have attended 2 sessions in a row of the same program will be placed in that program only if space allows.

### How to Enter the Lottery:

**Step 1:** Pick up a registration form. Forms will be available beginning on the first day of the registration period. You may pick up a form at any Burlington OEYC site or you may e-mail [oeychelp@rockonline.ca](mailto:oeychelp@rockonline.ca) to request a form be e-mailed, mailed or faxed to you. Alternatively, you may download a form from our website at [www.rockonline.ca](http://www.rockonline.ca). If you choose this option, please don't forget that you cannot submit your form until the registration period begins. Any forms received before the beginning of the registration period will be thrown away.

**Step 2:** Choose the program you wish to register for and fill in your form. Please take special care to ensure that your form is completely filled in and all information is legible and accurate. Make sure that you have put the names of all the children who will attend program with you on your form (this includes babies if you plan to bring the baby with you).

**Step 3:** Return your form to the Burlington OEYC. Forms must be submitted by 4:00 p.m. on the final day of the registration period. In-person, you may return your form to the ballot boxes provided at all Burlington OEYC sites. Alternatively, you may fax your form to (905) 632-0665, e-mail your form to [oeychelp@rockonline.ca](mailto:oeychelp@rockonline.ca) or mail it to ROCK/OEYC, 710 Cumberland Ave, Burlington, L7N 3M9.

**Step 4:** Wait! Once you have submitted your form, you are entered into the lottery system. We will notify you by e-mail if you have been placed in program. If you do not provide an e-mail address on your registration form, you will be notified by telephone. You will only be notified if you have been placed in a program.

### Questions and Answers

**Can I submit more than one form?**

Only one form per parent/caregiver per session may be submitted. Please do not submit duplicate forms for each parent/caregiver. All duplicate forms will be discarded.

**What if I miss the deadline?**

You may submit a form after the deadline, however, forms received after the registration deadline will only be processed after those received before the deadline. Avoid disappointment and submit your form on time.

**Can I call to find out if I got in?**

Please do not call to inquire about the status of your form. If you have not heard from us one week after the registration period closes, then you have been waitlisted for your first choice program.
